

**Draft Proposed Permanent Changes to Enable Digital and Virtual Processes under the
Ministry of Government and Consumer Services Business Law and Condominium Statutes**

Questions for Consideration

The ministry welcomes feedback on the draft proposed amendments. Respondents may provide feedback with regard to any of the affected statutes, including by providing responses to the below questions, and are asked to indicate in their response to which statutes their comments apply.

1. Are you supportive of the proposal to make the draft proposed permanent amendments to help corporations and/or businesses to permit virtual and hybrid meetings, virtual voting, electronic delivery of notices, storage of records through electronic means? Why or why not?
2. Are there any changes to the draft proposed amendments that the ministry may wish to consider? If so, why?
3. Are there any risks and/or impacts associated with these draft proposed amendments that should be considered? If so, why?
4. Would the draft proposed amendments assist corporations and/or businesses with recovery from the COVID-19 pandemic?
5. Are there any issues with the approach of bringing these draft proposed amendments into force for October 1, 2022, the day after the temporary relief framework is set to expire?
6. Do you have any related comments that the ministry may wish to consider?
